

ACADEMIC PROGRAMMES

Rules & Regulations

(For Students enrolled from July 2022 onwards)

Indian Institute of Technology Jodhpur

Note: This document has been converted to an editable text PDF for LLM ingestion. Tables are represented as JSON arrays. Hierarchical structures are shown as ASCII trees.

NOTIFICATION — No. IITJ/2020-21/Office of Academics/156/1 — Dated: 26.10.2020

With reference to regulations for Students enrolled from July 2019 onwards, following amendments have been done with the approval of the competent authority.

Amendment 1:

Clause 22.8: Minimum CGPA requirements for Continuation of Assistantship/Fellowship (existing requirements):

```
[
  {
    "Programme": "M.Tech.",
    "Continuation_in_Programme": "CGPA 5.0",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.0 (For first semester >=5)",
    "For_graduation": "CGPA of 5"
  },
  {
    "Programme": "Ph.D.",
    "Continuation_in_Programme": "SGPA 6.5 (For first semester >=6)",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.5 (For first semester >=6)",
    "For_graduation": "CGPA 7.5 at the completion of course work"
  },
  {
    "Programme": "M.Tech.-PhD",
    "Continuation_in_Programme": "SGPA 6.5 (For first semester >=5)",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.5 (For first semester >=5)",
    "For_graduation": "CGPA 7.0"
  }
]
```

1. INTRODUCTION

Academic programmes at IIT Jodhpur are designed to develop the highest calibre human resource capable of understanding new patterns of knowledge creation across disciplines. IIT Jodhpur aims to produce quality professionals able to address societal challenges of the 21st century such as energy, food, water, housing, mobility, and health.

The academic programmes focus on developing a temper for lifelong learning, creative thinking and exploring. Postgraduate programmes develop deep subject understanding coupled with creative inquisitiveness.

The academic programmes are based on three tenets: (1) Semester System, (2) Credit System, and (3) Relative Grading. These are administered by a duly constituted Academic Committee (AC) chaired by Dean (Academics).

The Senate formulates guidelines and rules for high standards and smooth functioning. Programmes can include additional requirements subject to Senate approval.

2. ACADEMIC SESSION

The academic session runs from end of July in one year to mid-July of the next year, divided into:

```
[
  {
    "Term": "Semester I",
    "Period": "Fourth week of July to last week of November"
  },
  {
    "Term": "Semester II",
    "Period": "Last week of December to last week of April"
  },
  {
    "Term": "Summer Term",
    "Period": "Middle of May to middle of July"
  }
]
```

Excluding examination days, total instruction days per semester: at least 70.

2.1 Academic Calendar

The academic calendar specifies dates for orientation, registration, commencement of classes, add/drop of courses, examinations, grade submission, project evaluation, results declaration, mid-semester recess, and vacation. Approved by the Senate.

3. REGISTRATION

- a. Registration: Students must register for prescribed credits on dates specified in the Academic Calendar. Late registration requires a fine.
- b. Provisional Registration: Fresh students awaiting final qualifying exam results may register provisionally on submission of a certificate from the last institution. Documents must be submitted by the last date in the Academic Calendar.
- c. Late Registration: Failure to register by the late registration date results in deregistration. Appeals go to Chairman, Senate through Dean Academics.
- d. Adding and Dropping of Courses: Students may add or drop course(s) with Faculty Advisor approval till the last date of registration.
- e. Withdrawing from a Course: Withdrawal is permitted until typically within four weeks from semester start, as per academic calendar. Withdrawn course appears on grade card with grade 'W'.
- f. Cancellation of Semester Registration: Absence for 4+ weeks during a semester causes automatic cancellation of registration from all courses.
- g. Summer Course Registration: Departments may offer summer courses for backlog clearance and/or regular credits, subject to faculty availability and Dean/Associate Dean approval.

4. TEACHING AND EVALUATION

4.1 Teaching

4.1.1 Medium of Instruction: English.

4.1.2 Course Structure

All courses have associated credits based on contact hours for lectures, tutorials, and practicals. A student earns credits upon successful completion with a passing grade. Courses are assigned a level based on academic maturity requirements.

  }
]

```

4.1.3 Approval of Courses: Senate approves each course with its credit weight. Only Senate-approved courses may be offered.

4.1.4 List of Courses: Finalized before the beginning of each semester by the Department hosting the Programme.

4.1.5 Categories of Courses

a) Regular Course: 14 hours of classroom engagement per credit. Elective courses at levels 100-600 require minimum 10 registered students; levels 700-800 require minimum 5.

b) Self-Study Course: From Senate-approved list. Permitted when course is not running as regular, or student is not on campus with prior approval. Requires Course Coordinator and DUGC/DRC/program committee recommendation; final sanction by Dean (Academics). Maximum 10% of total graded credit.

c) Independent Study Course: For student pursuing credit on topic of interest under faculty supervision. Requires CGPA >= 6.0. Maximum 3 credits, counted toward open elective. At most once during the program. Title appears as 'Independent Study' on transcript.

4.1.6 Conduct of Courses

Instructor is responsible for conducting, evaluating, and submitting grades. Students have access to their answer papers. Instructor must keep evaluation records for at least 6 months. Courses may be conducted through: (i) direct contact, (ii) synchronized remote contact, or (iii) guided study mode, or combination. Formal evaluations are always under direct physical supervision.

4.1.7 Teaching Assignments: Allocated by Head of Department hosting the Programme.

4.1.8 Auditing of Courses: Permitted with Dean (Academics) approval on instructor and Faculty Advisor recommendation. Listed on Grade Card.

4.1.9 Attendance Requirements: Full attendance expected. Student allowed to appear for exams even below 75%. Students below 75% must score at least C grade to pass; otherwise awarded F grade.

4.2 Evaluation

Performance evaluated continuously via classroom interaction, examinations, lab work, term-papers, and projects.

Minor 1, Minor 2, and Major examinations are mandatory for regular 14-week lecture courses (Minors: 60 min; Major: 120 min). Fractal courses must have at least one examination. Total examination component weightage: 40%-60% of total evaluation.

NOTE (2024 Amendment): Changed to one Minor and one Major examination (Minor: 2 hrs; Major: 3 hrs, weightage >=40%). This new policy supersedes the earlier policy.

5. GRADING SYSTEM

5.1 Letter Grades

```
[
  {
    "SN": 1,
    "Letter_Grade": "A*",
    "Grade_Points": 10,
    "Comment": "Exceptional"
  },
  {

    "Letter_Grade": "A",
    "Grade_Points": 10,
    "Comment": "Outstanding"
  },
  {
    "SN": 3,
    "Letter_Grade": "A-",
    "Grade_Points": 9,
    "Comment": "Excellent"
  },
  {
    "SN": 4,
    "Letter_Grade": "B",
    "Grade_Points": 8,
    "Comment": "Very Good"
  },
  {
    "SN": 5,
    "Letter_Grade": "B-",
    "Grade_Points": 7,
    "Comment": "Good"
  },
  {
    "SN": 6,
    "Letter_Grade": "C",
    "Grade_Points": 6,
    "Comment": "Average"
  },
  {
    "SN": 7,
    "Letter_Grade": "C-",
    "Grade_Points": 5,
    "Comment": "Below Average"
  },
  {
    "SN": 8,
    "Letter_Grade": "D",
    "Grade_Points": 4,
    "Comment": "Marginal"
  },
  {
    "SN": 9,
    "Letter_Grade": "E",
```

```

        "Grade_Points": 2,
        "Comment": "Poor"
    },
    {
        "SN": 10,
        "Letter_Grade": "F",
        "Grade_Points": 0,
        "Comment": "Fail"
    },
    {
        "SN": 11,
        "Letter_Grade": "I",
        "Grade_Points": null,
        "Comment": "Incomplete"
    },
    {
        "SN": 12,
        "Letter_Grade": "S",
        "Grade_Points": null,
        "Comment": "Satisfactory in Course"
    },
    {
        "SN": 13,
        "Letter_Grade": "X",
        "Grade_Points": null,
        "Comment": "Thesis Continuation"
    },
    {
        "SN": 14,
        "Letter_Grade": "U",
        "Grade_Points": null,
        "Comment": "Unsatisfactory"
    },
    {
        "SN": 15,
        "Letter_Grade": "W",
        "Grade_Points": null,
        "Comment": "Withdrawn"
    }
}
]

```

Grade Descriptions:

A*: Same grade points as A. Awarded only in courses with 50+ registered students. Must not exceed 2% of strength. Not awarded for projects/seminars.

E: Awarded when marks are below D cutoff but student has met 75% attendance. Student eligible for one additional examination (within first week of next semester) to convert E to D.

I: Incomplete — awarded on student request due to absence on medical/special grounds. Must be resolved by last date of add/drop of next semester.

S: Satisfactory — awarded for non-graded and audit courses or thesis after successful open seminar. Not counted in SGPA/CGPA.

X: Thesis Continuation — awarded for a course continuation.

U: Unsatisfactory — for thesis, audit, or non-graded courses.

W: Withdrawn — when student opts to withdraw from a course.

5.2 Procedure for Declaration of Results

```

[
{
    "Step": 1,
    "Action": "Evaluation scheme displayed by instructors at start of semester"
}
]

```

```

    },
    {
      "Step": 2,
      "Action": "Display of answer sheets and all scores by instructors"
    },
    {
      "Step": 3,
      "Action": "Finalization of grades by Instructors"
    },
    {
      "Step": 4,
      "Action": "Grade moderation by department/institute level committee"
    },
    {
      "Step": 5,
      "Action": "Recommendation of grades by Head of Department after scrutiny"
    },
    {
      "Step": 6,
      "Action": "Display of grades by Instructors"
    },
    {
      "Step": 7,
      "Action": "Grade correction (if any) within 48 hours after approval of Head of Department"
    },
    {
      "Step": 8,
      "Action": "Approval of Grade by Dean (UG/PG)/Associate Dean"
    },
    {
      "Step": 9,
      "Action": "Finalization of results by Dean (UG/PG)/Associate Dean"
    },
    {
      "Step": 10,
      "Action": "Approval of results by Chairman Senate"
    },
    {
      "Step": 11,
      "Action": "Results once approved cannot be changed. Appeals to Chairman Senate with formal justification"
    }
  ]

```

5.3 Grade Point Averages

5.3.1 SGPA: Weighted average of grades in all courses credited in a semester (excluding audit and S/X graded courses).

$$SGPA = (C1 \cdot G1 + C2 \cdot G2 + \dots + CN \cdot GN) / (C1 + C2 + \dots + CN)$$

5.3.2 CGPA: Indicates overall academic performance across all completed semesters. Based on all pass grades (A*, A, A-, B, B-, C, C-, D), excluding audit and S/X graded courses. Calculated only on IIT Jodhpur credits.

6. GRADE CARD AND TRANSCRIPT

Grade Card issued at end of each semester; Transcript at end of Programme. Both indicate only IIT Jodhpur courses, credits, and grades, plus total credits (without grades) earned at other institutions.

7. WAIVER OF REQUIREMENTS IN SPECIAL CASES

Rules and procedures (other than Admissions) may be waived in special circumstances by the AC on Department recommendation with Chairman Senate approval. All exceptions reported to Senate.

8. MAKE-UP EXAMINATIONS

Students who missed minor(s) or major examination due to genuine reasons (illness, etc.) may apply for make-up. Application to Dean (Academics) through course instructor within 10 days of missed exam. Permission given under exceptional circumstances (e.g., hospitalisation). Required documentation:

- Hostel residents: Medical Certificate from Institute Medical Officer confirming hospitalisation.
- Hostel residents consulting outside doctors: Written permission from Institute Medical Officer required before consultation.
- Students outside campus: Medical certificate from Registered Medical Practitioner, endorsed by parent/guardian.

Make-up for major exams held during makeup/supplementary week of subsequent semester. No prorating of missed examinations or attendance under any circumstances.

REGULATIONS FOR PG PROGRAMME

9. POSTGRADUATE PROGRAMMES

IIT Jodhpur currently offers the following Postgraduate programmes:

```
[
  {
    "SN": 1,
    "Programme": "Master of Science (M.Sc.)"
  },
  {
    "SN": 2,
    "Programme": "Dual Degree: M.Sc.-M.Tech."
  },
  {
    "SN": 3,
    "Programme": "Master of Technology (M.Tech.)"
  },
  {
    "SN": 4,
    "Programme": "Dual Degree: M.Tech.-PhD."
  },
  {
    "SN": 5,
    "Programme": "Doctor of Philosophy (Ph.D.)"
  }
]
```

10. POSTGRADUATE ADMISSIONS

Admission process normally underway during April-May for Semester 1 and November-December for Semester 2. PhD admissions may be processed continuously.

10.1 Categories of Admission

```
[
  {
    "Category": "i",
    "Type": "Full-time regular"
  },
  {
    "Category": "ii",
    "Type": "Full-time sponsored"
  },
  {
    "Category": "iii",

```

```

        "Type": "Part-time"
    },
    {
        "Category": "iv",
        "Type": "External"
    },
    {
        "Category": "v",
        "Type": "Part-time (online)"
    },
    {
        "Category": "vi",
        "Type": "Part-time (Project sponsored)"
    },
    {
        "Category": "vii",
        "Type": "Executive"
    }
]

```

Full-time Regular: In-campus student, up to full credits per semester. Project-supported students counted here.

Full-time Sponsored: In-campus student, sponsored by employer or self. Self-sponsored must have 2 years of relevant industry/R&D/academic experience.

Part-time: Working professional attending regular classes. Requires NOC from employer. Limited credits.

External: Working in industry/R&D/academic institution with necessary research facilities. Must satisfy minimum residency requirements.

Part-time (Online): Working professional in synchronous audio-visual mode. Must spend at least 12 months on campus before thesis submission.

Part-time (Project Sponsored): Project fellow receiving fellowship at MoE stipulated rate for minimum 36 months. Fees at full-time GATE candidate rate.

Executive (M.Tech. only): Can complete in minimum 12 months (accelerated) or accumulate credits over maximum 6 years.

10.2 Eligibility for Admission

10.2.1 M.Sc. (Regular): Through JAM, or bachelor's in relevant discipline with 60% marks for GEN/OBC (55% for SC/ST) or CGPA 6.0/10 (5.5 for SC/ST) via written test/interview.

10.2.2 M.Sc.-M.Tech. Dual Degree (Regular): Same criteria as M.Sc. above.

10.2.3 M.Tech. (Regular): Bachelor's in engineering/science (4-yr) or Master's in relevant field. Minimum 60%/CGPA 6.0 for GEN/OBC. Valid GATE score or equivalent.

10.2.4 M.Tech. (Executive/Part-time/External/Sponsored): Same academic criteria as regular plus minimum 2 years work experience after qualifying degree. Written test/interview by IIT Jodhpur.

10.2.5 M.Tech.-Ph.D. Dual Degree (Regular): Bachelor's in engineering/science (4-yr) or Master's. Minimum 60%/CGPA 6.0 for GEN/OBC. Valid GATE score or equivalent.

10.2.6 Ph.D. (Regular): Must not be enrolled in any other program or employed full/part-time. Master's degree with 60%/CGPA 6.0 for GEN/OBC (55% for SC/ST); OR MBBS with MD/MS or equivalent; OR Bachelor's (4-yr min) with 70%/CGPA 7.0 for GEN/OBC (65% for SC/ST).

10.2.7 Special Schemes (QIP, Defence Personnel): Procedures and criteria decided with Chairman Senate approval.

10.2.8 INRA and Foreign Nationals: INRA candidates must have been residing abroad continuously for at least one year. Applications processed by departments. ICCR-sponsored candidates assessed by department.

10.2.9 Ph.D. (Sponsored/External/Part-time): Same academic criteria as Regular PhD plus minimum 2 years work experience. Written test/interview by IIT Jodhpur.

10.3 Admission of Non-Degree Students: Students from recognised institutes registered for degrees elsewhere and officially sponsored to complete part of academic requirements at IIT Jodhpur. Casual students can register up to 9

credits per semester.

10.4 Reservation Policy: Government of India reservation policy will be followed.

11. PG REGISTRATION

11.1 Limits on Registration

M.Sc.: Maximum 24 credits, minimum 10 credits per semester.

Table 11.1 M.Tech. Credit Limits

11.1.1 Registration Kept Alive (RKA): M.Tech. students who completed first semester minimum credits can keep studentship alive while pursuing professional activities by opting for RKA. Must indicate intent before late registration date through DRC to Dean (Academics). Appropriate fees apply.

11.2 Change from M.Tech. (Regular) to M.Tech. (Part-time): After successful completion of third semester. Requires supervisor and DRC endorsement, plus employer NOC.

11.3 Change from M.Tech. to M.Tech.-Ph.D. Dual Degree: Regular M.Tech. student with CGPA 8+ at end of second semester may switch till end of third semester.

11.3 Change from Part-Time M.Tech. to Part-Time Ph.D.: CGPA 8+ after completion of at least 24 credits.

11.4 Change from Full-Time to Part-Time/External Ph.D.: Must have completed candidacy requirement, supervisor and DRC endorsement, and employer NOC.

11.5 Maximum Duration of a Program

```
[
  {
    "Programme": "M.Sc.",

13. LEAVE RULES

Application for leave addressed to Convener DRC with medical certificate if applicable. Leave must not be availed without prior DRC approval.

13.1 Leave: Maximum 30 days per academic year (including medical leave + mid-semester break). Ph.D. student: max 15 days at a stretch. M.Tech./M.Sc. student: max 10 days at a stretch. Leave beyond 30 days in AY may be granted by DRC without assistantship.

13.2 Other Leaves: Maternity leave for Ph.D. as per MoE directives. Not counted towards maximum programme duration.

13.3 Semester Withdrawal: Absence for 4+ weeks results in automatic withdrawal. Fellowship stopped immediately; reinstated on rejoining. Leave extending beyond a semester requires Academic Committee approval. Semester withdrawal on medical grounds not counted towards max programme duration.

13.4 Academic Leave: Permitted for: field work, library work at specialised collection, experimental work/training at specialised facility, conferences/workshops/schools, collaborative work for joint supervision, exchange programs. Max duration: 1 year. Max 12 credits per semester during academic leave (certified by SRC, approved by DRC).

14. FINANCIAL ASSISTANCE

    }
  ]

```

Ph.D. fellowship enhanced after 2 years upon meeting qualifier requirement. Enhancement from date of completion — no arrears. Teaching/Research Assistantship continues till thesis Defence or end of semester of thesis submission, whichever is earlier.

15. RULES AND REGULATION FOR CONDUCT AND EVALUATION OF M.TECH./M.SC. PROJECT

Student-supervisor allotment based on mutual preferences. Supervisor and area identification by end of first semester. Each semester a letter grade is awarded by a committee consisting of DRC, supervisor(s), and two members conversant with the field (at least one external to department). External member can be on VC. Regular full-time student must register for M.Tech Project Part-1 in summer semester following 2nd semester.

16. RULES AND REGULATIONS FOR Ph.D./M.TECH.-Ph.D. DUAL DEGREE PROGRAM

16.1 Thesis Supervisor(s)

16.1.1 Selection: Based on merit. Faculty in candidate's area must be available at time of selection.

16.1.2 Appointment: No supervisor assigned at time of selection. Allotment based on preferences. Supervisor/area identification by end of first semester. Maximum two supervisors generally. Additional supervisor requires Chairman Senate approval. External supervisor (before qualifier) on student/supervisor request, with DRC/IRC and Dean (Academics) recommendation, and Chairman Senate approval.

16.1.3 Caretaker/Additional Supervisor: Caretaker appointed by DRC/IRC when supervisor on short leave (up to 1 year). Additional supervisor needed for long leave (>1 year). Supervisor on lien/sabbatical may continue supervising. Supervisor on retirement/resignation may continue if student cleared qualifier.

16.1.4 Composition of DRC: Coordinators of M.Tech, M.Tech.-Ph.D. and Ph.D. programs, Head of Department, and Senior/Associate Professor proposed by Head. Chaired by Professor/Associate Professor nominated by Head. Tenure 2 years.

16.1.5 Composition of IRC: All IDRPs coordinators; Senior Professor/Associate Professor as Chair nominated by Dean (Academics). Tenure 2 years.

16.2 Change of Research Supervisor: Permitted by Dean (Academics) on DRC/IRC recommendation with consent of student, present supervisor, and proposed supervisor.

16.3 Student Research Committee (SRC)

SRC consists of supervisor(s) and three other faculty members (at least one external to department). Proposed by supervisor, recommended by DRC/IRC, approved by Dean (Academics). Chairman appointed by Dean (Academics). Must be constituted by end of first semester. SRC monitors progress till programme completion.

16.4 Annual Progress Monitoring (APM): Reviewed once a year by SRC and peers based on (i) Annual Progress Report and (ii) Poster Presentation. Two consecutive non-satisfactory grades lead to termination of registration. First APM after successful completion of qualifier requirements.

16.5.1 Comprehensive Examination: Tests general capability and breadth of knowledge. Conducted by Comprehensive Examination Committee. Written test with 3 papers from at least 5 offered by department. Each paper covers one essential sub-area. Student may appear before completing course requirements. One re-attempt if first attempt unsatisfactory.

16.5.2 State of Art Seminar (SOTA): General seminar covering State of Art of research area including patent landscaping. Evaluated by SRC. Satisfactory grade required before research proposal. For M.Tech.-Ph.D., presentation in M.Tech. Project I considered as SOTA.

16.5.3 Research Proposal: Evaluated by SRC after successful SOTA. Must include research work equivalent to 16 credits. SRC allocates a letter grade.

16.6 Candidacy for Ph.D.: Student formally admitted to candidacy after completing all qualifier requirements. Only candidates admitted to candidacy may submit Ph.D. thesis.

16.7 Relaxation for M.Tech.-Ph.D. Dual Degree: After 3 years and satisfying all qualifier requirements, under exceptional conditions (SRC approved), students can convert to part-time/external Ph.D. and exit with M.Tech. degree if all conversion conditions are met.

16.8 Cancellation of Registration: If progress unsatisfactory as found by SRC, or if student has not enrolled, or if thesis not submitted before maximum permissible period.

16.9 Synopsis: Open seminar + comprehensive internal assessment by SRC. Synopsis and thesis must be submitted within 6 months of open seminar date (extension of 3 months possible on SRC recommendation). Student must have at least 2 publications in Scopus-indexed journals and/or A+ conferences.

16.10 Thesis Submission and Evaluation: Supervisor proposes 10 examiners (4+ from abroad, 4+ from India, at least 6 years post-Ph.D. experience, no two from same organisation). Chairman Senate selects minimum 2 examiners (at least 1 from outside India). Examiners submit report within 2 months. Thesis Defence conducted if both examiners accept. If any examiner rejects, Chairman Senate may refer to a third examiner.

17.2 Academic: Student must have earned minimum credits per Sections 12.3-12.7 with minimum CGPA as per Section 12.8.

17.3 No Dues Clearance: Degree awarded after No Dues Clearance from all concerned sections.

17.4 No Disciplinary Action: Student with any pending indiscipline case not considered to have completed requirements.

17.5 Award of Degrees: Provisional Certificate issued on Chairman Senate approval. Degree Certificate requires Senate recommendation to Board of Governors and BoG approval in ensuing convocation.

17.6 Withdrawal of Degree: Senate may recommend BoG to withdraw a degree in case of gross violation of graduation requirements detected at a later stage.

18. AMENDMENTS: The Senate of IIT Jodhpur reserves the right to modify/amend, without notice, Rules and Regulations of the Postgraduate programmes.

CIRCULAR: Amendment in Attendance Policy — No. IITJ/OAA/Circular/2024-25/51/68.2 — Dated: 08 July 2024

The Senate in its 38th Meeting (26th June 2024, resolution 38.2.7) approved an amendment to the existing attendance policy.

Existing Policy: Student must have full attendance. Even below 75%, student allowed to appear for exams. Students below 75% must score at least C grade; otherwise awarded F grade.

Revised Policy (supersedes earlier policy in totality):

Students expected to have full attendance unless leave is for valid medical or bonafide reasons. Attendance must not fall below 75%. Attendance records made available weekly by instructors/TAs. Examination performance is NO LONGER linked to course attendance.

- If student is absent without sanctioned leave for more than two weeks: instructor may recommend de-registration from the course.
- If student is absent from all academic activities for four or more weeks (not necessarily contiguous) in a semester, with or without sanctioned leave: automatic semester withdrawal from all courses.
- If attendance falls below 75% without valid reason: instructor can recommend de-registration to SUGC/SPGC.

CIRCULAR: One Minor and One Major Examination — No. IITJ/OAA/Circular/2024-25/52/68.3 — Dated: 08 July 2024

The Senate in its 38th meeting (26th June 2024, resolution 38.2.6) approved to conduct one Minor and one Major examination in all Academic Programs (supersedes earlier policy in totality).

```

[
  {
    "SN": 1,
    "Examination": "Minor",
    "Purpose": "Evaluate students' progress at midpoint of semester",
    "Duration": "2 hours",
    "Weightage": "Determined by instructor"
  }
]

```

```

    },
    {
      "SN": 2,
      "Examination": "Major",
      "Purpose": "Assess thorough grasp of entire course at end of semester",
      "Duration": "3 hours",
      "Weightage": "Not less than 40% of overall evaluation"
    }
  ]

```

From AY 2024-25 Semester I, examinations are decentralised — Office of Academics provides calendar and venues; Faculty Members conduct with TA support. Evaluation scheme shared with students at least 2 days before first class in First Course Handout (FCH).

ANNEXURE-I: Regulations for IIT Jodhpur-AIIMS Jodhpur Joint Programs (Masters-PhD Dual Degree and PhD) in Medical Technologies

Notification: IITJ/OA/C/2021-22/27/122 — Dated: 20.01.2022

CGPA Requirements for Joint Medical Technology Programs:

```

[
  {
    "Programme": "Masters in Medical Technologies",
    "Continuation_in_Programme": "CGPA 5.0",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.0 (For first semester >=5)",
    "For_graduation": "CGPA of 5"
  },
  {
    "Programme": "Ph.D in Medical Technologies",
    "Continuation_in_Programme": "SGPA 6.5 (For first semester >=6)",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.5 (For first semester >=6)",
    "For_graduation": "CGPA 7.5 at the completion of course work"
  },
  {
    "Programme": "Masters-Ph.D in Medical Technologies",
    "Continuation_in_Programme": "SGPA 6.5 (For first semester >=5)",
    "Continuation_of_Assistantship_Fellowship": "SGPA 6.5 (For first semester >=5)",
    "For_graduation": "CGPA 7.0"
  }
]

```

Supervisor Appointment: At least one supervisor each from AIIMS Jodhpur and IIT Jodhpur. Maximum 3 supervisors. Faculty registered for Ph.D. not eligible for Ph.D. supervision.

Qualifier Requirements — Dual Degree (ASCII Tree)

Dual Degree Qualifier Steps

- Step 1: After 1st Semester
 - ■■■ Identify need from immersion + problem definition (scope for innovation)
- Step 2: After 4th Semester and by 5th Semester
 - ■■■ SOTA seminar + detailed presentation on scientific challenges and innovation model
- Step 3: After 6th Semester and by 7th Semester
 - ■■■ Present translation agenda and/or business plan
- Step 4: After 7th Semester
 - Decision: opt for degree with translational component/product development
OR opt for incubation with business plan

Ph.D. Qualifier Steps

- Step 1: After 1st Semester
 - ■■■ Identify need from immersion + problem definition
- Step 2: By end of 2nd Semester

- ■■■■ Present foundation of identified problem / product development
- Step 3: By end of 3rd Semester
- ■■■■ Present SOTA seminar
- Step 4: By end of 4th Semester
- ■■■■ Present complete plan for translation/prototyping the device
- Step 5: By end of 7th Semester
- Decision: opt for degree with translational component/product development
OR opt for incubation with business plan

Thesis Requirements: At least 2 patents (or equivalent IP) filed essential for thesis submission. Panel of 8 examiners (3 from abroad). Doctoral committee and one external examiner present at thesis defence. Degree awarded jointly by AIIMS Jodhpur and IIT Jodhpur in alternate Convocations.

Ph.D. Credit Requirements:

- Candidates NOT through Master's programme: Compulsory courses of Master's Programme + 6 Elective Credits + Thesis (48 credits).
- Candidates through Master's programme: 6 Elective Credits + Thesis (48 credits).

RULES AND REGULATIONS FOR M.S. BY RESEARCH PROGRAMS

M.S. by Research programmes are offered in cross-disciplinary, multi-disciplinary, and application-directed areas. Designed for: (i) innovative research in cross/multi-disciplinary areas, (ii) innovation-driven outcomes leading to EIRs/Start-Ups, (iii) targeted deliveries linked to externally-sponsored projects, (iv) regular M.S. students in Centres and CoE.

Table 1.1 M.S. by Research Credit Limits

```
[
  {
    "Category": "Full-time Regular",
    "Max_Credits": 16,
    "Min_Credits": 6
  },
  {
    "Category": "Part-Time",
    "Max_Credits": 12,
    "Min_Credits": 3
  }
]
```

1.1 RKA: After minimum credit completion of first semester. Maximum 6 semesters of RKA.

1.2 Upgrade to Ph.D.: Based on CGPA > 7.5 and progress after 3 semesters (regular students); must continue same work and satisfy regular Ph.D. requirements.

1.3 Maximum Duration: Full-time: 2 years (min) to 4 years (max). Part-time: 3 years (min) to 5 years (max).

Table 2.1 LTP-structure for M.S. by Research (same as M.Tech./Ph.D., TC=TH/4)

```
[
  {
    "Type": "1 hour Lecture",
    "Contact_Hours": 1,
    "Beyond_Contact_Hours": 3,
    "Total_Hours": 4,
    "Credits": 1
  },
  {
    "Type": "1 hour Tutorial",
    "Contact_Hours": 1,
    "Beyond_Contact_Hours": 3,
    "Total_Hours": 4,
    "Credits": 1
  }
]
```

```

    },
    {
      "Type": "1 hour Lab",
      "Contact_Hours": 1,
      "Beyond_Contact_Hours": 1,
      "Total_Hours": 2,
      "Credits": 0.5
    },
    {
      "Type": "1 hour Thesis/Project",
